## About the House

Located on a generous block, this six-bedroom home is close to parks, local shops and public transport. With plenty of indoor and outdoor spaces, there is room for socialising, relaxing or entertaining family and friends.

One unfurnished room, with built-in wardrobes and a lovely view of the backyard.

Your future housemate enjoy staying active at the gym, attending community activities, and unwinding together on the couch.

Support is available seven days a week, with a sleepover support model in place to ensure you have the assistance you need whenever you need it.

This home is designed with Improved Liveability in mind and is a Supported Independent Living (SIL) environment.

You'll need to have appropriate SIL funding included in your NDIS plan, including the means to cover rent, housekeeping, and utilities.
